

Abet Eac Program Self Study

The Self-Study Report is a quantitative and qualitative assessment of your program's strengths and limitations. It provides a comprehensive overview of your program and guides our review team throughout its evaluation.

Self-Study Templates | ABET

The Self-Study Report will provide information critical to a thorough on-site review of the program. Therefore, the Report will address the extent to which the program meets applicable ABET Criteria and policies. In so doing, it is necessary that the Report address all methods of instructional delivery used for the program, all possible paths that students may take to completion of the degree ...
